Dear Township Resident,

Uwchlan Ambulance Corps' (UAC) paid and volunteer staff provides 24-hour Emergency Medical Services 365 days a year. In addition we promote healthier lifestyles and provide the community with comprehensive educational programs that teach safety, first aid and CPR/AED. Please visit www.station87.com to learn more about the organization, volunteer opportunities, upcoming classes and youth programs.

UAC does NOT RECEIVE ANY DIRECT TAX MONEY.

As a subscriber you will not be responsible for any fee charged by UAC for 911 emergency ambulance service that is not covered by your insurance. This could save you money as many insurance plans do not cover the full cost of ambulance service. Depending on the details of your insurance coverage and the severity of the emergency these costs could range from \$900 to over \$1,900. Non-subscribers are responsible for these charges. Becoming a subscriber protects you and your family and helps to support this vital community resource.

Thank you in advance for your subscription and your support of the organization. Please contact the Corps' office at 610-363-1067 if you have any questions or feedback.

Sincerely,

Wes Weber, President
