Dear Friends and Supporters,

We are excited to invite you to join our growing community of innovative leaders and corporate friends by partnering with us as a sponsor for our inaugural *Thank a Hero; Be a Hero* Event. To commemorate the 20th Anniversary of 9/11, this health and safety event will be held on Saturday, September 11, 2021, at 3 PM in Exton. As a sponsor, you will join our community of advocates for first responders in Chester County at this powerful and uplifting event!

UAC is one of our region's most trusted EMS providers, but we cannot do it alone. Since 1974, we have developed strong roots within our community to

- **Provide lifesaving emergency care** to nearly 69,000 residents in eight townships with five ambulances, three responder units and highly trained Paramedics and EMTs.
- **Educate** and convene EMS providers. UAC is a leading training institute in our region and is an approved American Red Cross Training Site, ASHI Training Site, Pennsylvania Department of Health Continuing Education and BLS Certification Institute.
- **Serve** our community through educational outreach, including programs for youth, many of which go on to pursue careers in the healthcare field. We assist community organizations such as scouts and schools and teach all ages Basic First Aid and CPR.

We have ambitious goals for 2021 and hope you'll play an active role in honoring our first responders. This event will be open to the general public as well and provide health and safety information/demonstrations. **That's why we're asking you to pledge your commitment as a *Thank a Hero Sponsor* today.** By securing your sponsorship now, you guarantee maximum visibility as an advocate for EMS.

We hope that you will join us as a valued partner this year and have enclosed available sponsorship opportunities. UAC is committed to being a valuable partner with you and will work with you to design a benefits package that fits your community and business goals. **Please return your sponsorship form by August 13th to ensure you receive maximum visibility and recognition on the event t-shirt.**

On behalf of the Board of Directors, our staff, and the neighbors we serve, we thank you for your support. **We are counting on your support** so that, together, we can ensure the safety and wellbeing of our neighbors. If you have any questions, please contact Cynthia Jaros, Development Director at: 610-363-1067, x105 or cjaros@station87.com.

Best Wishes,

Executive Director
